Period
Cricket Mountain Lime Plant Quarry
Millard County, Utah
ACT/027/006

Dear Mr. Nixdorf:

Enclosed is a copy of the letter which the Division received from the Division of Wildlife Resources concerning the Cricket Mountain Lime Plant Quarry. The Southern Regional Office of the Division of Wildlife Resources has prepared their comments concerning the mine site. The Division of Wildlife Resources has a concern for the antelope and raptors in the area of the proposed plant and quarry.

The Division hopes that Continental Lime, Inc. can work with the Division of Wildlife Resources in mitigating any impacts to the wildlife in this area. Mr. Mike Coffeen of the Southern Regional Office in Cedar City can be contacted directly to discuss the wildlife situation. I will inform Mr. Coffeen that you been made aware of these comments. Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in cursive script, reading "Mary Ann Wright", is written over the typed name.
